Job Description

Your responsibility is to congratulate and direct participants back to the ballroom via the escalators and taking their timing watches. The participants would have just finished their 48 storey climb, so celebrate and give them a high five if you wish!

Duties

- You will be stationed at the bottom of the elevators in the lobby. Stand beside the elevator at all times.
- Greet participants after they exit the elevator upon completing the Climb and congratulate them on their awesome work!
- Take the participant's timers and place them in the bucket provided (you will be given plastic gloves to wear) **Make sure to take all timing chips - We pay \$40 for everyone that is not returned!**
- If a participant expresses interest in climbing again, take their timing device, and tell them to go to the drop-in line at registration and get another timing chip. **They will need a new chip to record another time.**
- Redirect participants back to the ballroom
- **Do not let anyone enter the allocated Climb elevator from the lobby. No family members, volunteers or members of the public can go up to the top floor.**
- Media and Staff are the only exception
