Job Description

You are responsible for collecting and safeguarding Climbers' jackets and belongings. This is extremely important as you will be dealing with valuables and crowds of Climbers during rush times.

Duties

- At Gear Check you will be using a ticket system to keep track of Climber's belongings. Make sure the coat or bag is attached properly to the hanger and number.
- At least one volunteer must remain at the Gear Check room at all times.
- To ensure efficiency, there will be two roles:
 1. **Check-in:** to assign ticket to Climber
 2. **Runner:** to take belongings from participant and transferring them to the coat rack. Ensure that the ticket is attached securely onto the hanger/item. *****Sort items in chronological order.*****

Note

- If participants ask, there are no goodie bags. Instead, we have arranged for several sponsors to set up booths in the ballroom, with samples and giveaways.
